Tabish Khan the @LondonArtCritic picks his top art exhibitions to see. Each one comes with a concise review to help you decide whether it's for you. Readers should also see [last week's top 6 exhibitions to see](#), as half are still open to visit.

Werner Buttner: No Scene from My Studio @ Simon Lee Gallery

From the everyday such as a coat stand next to a glass of wine to the disturbing image of a black leopard killing its prey, Werner Buttner paints scenes that range from the mundane to the disturbing as a horse in front of a giant wall feels like a clear political reference to Trump's border wall. **Until 10 June.**
